**Love's Prayer.**

If Heaven would hear my prayer,  
My dearest wish would be,  
Thy sorrows not to share,  
But take them all on me;  
If Heaven would have my prayer,  
I'd beg with prayers and sighs  
That never a tear might flow  
From out thy lovely eyes.  
If Heaven might grant it so;  
Mine be the tears and sighs.

No cloud thy brow should cover,  
But smiles each other chase  
From lips to eyes, all over  
Try sweet and sunny face;  
The clouds my heart should cover.  
That all thy path be light  
Let darkness fall on me;  
If all thy days be bright  
Mine black as night would be;  
My love would light my night.

For thou art more than life,  
And if my fate should set  
Life and love at strife,  
How could I then forget  
I love thee more than life.

—John Hay.

**Catching Suckers in Monroe.**

Yesterday a fakir struck town and soon had a large crowd around his buggy. He told his hearers that he was such an expert at selling things, that he could even sell the dirt under their feet if he was so disposed. Seeing a blade of fodder on the ground the fakir seized upon it, broke off a small bit and asked who would pay 25 cents for it. A man in the crowd said he wanted the fodder blade and so he paid his quarter and got it; so did several others, the fodder blade netting the fakir \$2. Now, the kind gentlemen who had purchased the fodder on faith were handed back their money and also each purchaser given a handful of jewelry, teaspoons, etc., besides. And now didn't some one else in the crowd want a good razor for only a dollar. They did, about 75 of them suddenly remembered that they needed a good razor. After the last transaction the fakir had business elsewhere—doubtless in greener and fresher localities.—The Monroe Enquirer.

## A DANGEROUS MISTAKE.

### Scotland Neck Mothers Should Not Neglect Kidney Weakness in Children.

Most children have weak kidneys. The earliest warning is bed-wetting. Later comes backache, headache, languor.

'Tis a mistake to neglect these troubles.  
To blame the child for its own distress.  
Seek to cure the kidneys—  
Save the child from deadly kidney ills.

Doan's Kidney Pills cures sick kidneys.

Scotland Neck parents recommend them.

Mrs. Chas. Rue, Corner Eighth and Greenwood Sts., Scotland Neck, N. C., says: "I am pleased to recommend Doan's Kidney Pills in return for the benefit my little daughter derived from them. She suffered from weak kidneys from infancy and she was unable to control the secretions. We gave her a great many remedies but nothing seemed to relieve the trouble. When Doan's Kidney Pills were brought to my attention, I procured a box and began giving them to the child. There was a marked improvement from the first and they soon proved of great benefit. The kidneys are now strengthened, the secretions cause less annoyance and her general health is much improved. I recommend Doan's Kidney Pills in the highest terms."

For sale by all dealers. Price 50 cents. Foster-Milburn Company, Buffalo, New York, sole agents for the United States.

Plastic slate, that is to say, moldable slate, is a mixture formed by combining about one part of coal tar and four parts of slate dust and is recommended for covering large wounds in trees. This mass must be about the consistency of a not too thick glazier's putty, so that it can be rolled out in the hand. Slate dust can easily be made by crushing small pieces of slate. The mass sticks to wood, to metal, to stone and in fact to everything that is not greasy and closes every opening airtight.—Scientific American.

## CONUNDRUM MAN ONCE MORE

This Time He Has a Fine One About Policeman and Civil Service Clerk.

"Say," whispered the man with the iridescent whiskers and the green handkerchief, leaning over the desk of the man with the bashful bald spot. "I've got a dandy for you to-day. You can use it if you want to. It's nothing to me. I believe when a man's a friend of a man he ought to give the man the benefit of what good ideas come to him from time to time. Live and let live is my motto."

"We're not handling mottoes to-day. What is the other thing?" asks the man at the desk, absent-mindedly trying to sharpen his fountain pen.

"What is the difference between a policeman who got his appointment through the influence of a brother-in-law who is in cahoots with an alderman and who is detailed to arrest people who have no vehicle license upon their wagons and carriages, and a civil service clerk whose duties consist in registering the descriptions and numbers of automobiles?"

"Why is a policeman who arrests three dozen hoboes less four like a man who happens upon an alley and finds a chunk of dynamite behind a handbook shop?" asks the man with the hiatus on his head. "Because he has located bum 32. Good morning."

"Very well," hisses the man with the luminous whiskers. "Very well. The answer to mine is that one nabbs the tagless and the other nabbs the nagless, but I shall give it to some more meritorious literateur."

And the door closed, shutting off the breeze.

## Better Not Get Dyspepsia

If you can help it. Kodol prevents Dyspepsia, by effectually helping Nature to Relieve Indigestion. But don't trifle with Indigestion.

A great many people who have trifled with indigestion, have been sorry for it—when nervous or chronic dyspepsia resulted, and they have not been able to cure it. Use Kodol and prevent having Dyspepsia.

Everyone is subject to indigestion. Stomach derangement follows stomach abuse, just as naturally and just as surely as a sound and healthy stomach results upon the taking of Kodol.

When you experience sourness of stomach, belching of gas and nauseating fluid, bloated sensation, gnawing pain in the pit of the stomach, heart burn (so-called), diarrhoea, headaches, dullness or chronic tired feeling—you need Kodol. And then the quicker you take Kodol—the better. Eat what you want, let Kodol digest it.

Ordinary peptic "dyspepsia tablets," physics, etc., are not likely to be of much benefit to you, in digestive ailments. Peptic is only a partial digester—and physics are not digesters at all.

Kodol is a perfect digester. It is a particle of food, of all kinds, in the glass test-tubes in one laboratory you would know this just as well as we do.

Nature and Kodol will always cure a sick stomach—but in order to be cured, the stomach must rest. That is what Kodol does—rests the stomach, while the stomach gets well. Just as simple as A, B, C.

**Our Guarantee**

Go to your druggist today and get a large bottle. Then after you have had an entire course of the Kodol, if you are not cured, return the bottle to the druggist. He will refund your money without question or delay. We will then pay the druggist for the bottle. Don't hesitate. Druggists know that only genuine Kodol will refund your money. This offer applies to the large bottle only and but one that contains 25 cents. The small bottle contains 12 cents.

Kodol is prepared at the laboratories of E. C. DeWitt & Co., Chicago.

E. T. Whitehead Company.
